The State Employees' Charitable Giving Campaign (SECGC) welcomes your interest in our 2013 campaign. We are a service to state employees, who are very generous donors to non-profit organizations and to their communities. We encourage your participation. We welcome questions as you consider applying or as you are gathering the information we need. For any questions, contact information is in sections VII and VIII below.

To aid in completion of the applications, each federation is now required to have a representative who will be involved in submission of the federation's application participate in a phone conference call lasting about 1 hour. The times and dates the sessions are offered, toll-free call in phone number and registration process will be provided.

Option 1: Tuesday, April 9, 3:30 p.m.

Option 2: Wednesday, April 10, 10:30 a.m.

To register for conference call, contact Beki Brandborg, (406) 431-2151 or beki@initco.net, following which you will be sent the call-in information.

I. General Information. Your federation and the affiliated non-profit organizations are invited to apply for the 2013 SECGC. This campaign is the only authorized charitable solicitation of state employees in the workplace. Through the campaign, state employees donate to a wide variety of non-profits using payroll deduction, credit or debit cards, checks or cash. In 2012, state employees donated more than \$418,120. While there were some non-profits that received no contributions, the largest total of pledges and gifts to a single non-profit was \$32,137 and the average state employee individual pledge amount was \$253.

The campaign is administered by the Department of Administration with the assistance of a Governor-appointed advisory council of volunteer state employees, a Financial Services Coordinator, a Program Coordinator and representatives of federations and independent participants.
